

# NASSER ALI

## JUNIOR SOFTWARE DEVELOPER

 (289) 698-0098     [nasserali60@live.com](mailto:nasserali60@live.com)  
 St. John's, NL     [nasser-a-ali.github.io/my-portfolio/](https://nasser-a-ali.github.io/my-portfolio/)

### PROJECTS

#### Portfolio Website

Designed in Figma and developed with React.js, featuring React Hooks, React Router, HTML, CSS, animations, and media queries. Can be accessed through the link in heading above.  
 [github.com/Nasser-A-Ali/My-Portfolio](https://github.com/Nasser-A-Ali/My-Portfolio)

#### Tech Trends Web App

Created an e-commerce website for "Tech Trends" using React.js and Figma, featuring a homepage that displays products from a JSON file and a cart page showing added items and total cost.  
 [github.com/Nasser-A-Ali/Tech-Trends](https://github.com/Nasser-A-Ali/Tech-Trends)

#### The Local Restaurant Web App

Developed a website for "The Local Restaurant" using HTML, CSS, and vanilla JavaScript, featuring a menu page that displays items from a JSON file through DOM manipulation and an order page with a form for calculations and summary.  
 [github.com/Nasser-A-Ali/The-Local-Restaurant-Webpage](https://github.com/Nasser-A-Ali/The-Local-Restaurant-Webpage)

#### Task Tracker Web App

This website was created using React.js and was designed as a way to practice REST API HTTP Methods. It allows users to add, delete, and toggle reminders for tasks stored in a JSON server.

### WORK EXPERIENCE

**Donor Care Associate** 2022 - PRESENT  
[Canadian Blood Services](#)

- Represented the company with professionalism and positivity. Accompanied donors and socialized with them throughout the donation process.
- Managed donor medical history reviews, eligibility screening, and confidential information, ensuring prompt record updates.
- Proficiently conducted blood collection, adhering to sterile techniques and standard operating procedures. Promptly addressed adverse donor reactions.

**Sales Staff Manager** 2020 - 2022  
[Traders Atlantic](#)

- Established crucial rapport with customers, promoting future account sales and negotiating favourable prices for sales and loans.
- Conducted inspections and purchased diverse valuable merchandise, making collateral-based loans to individuals.
- Thrived in a fast-paced, high-intensity environment, adept at diffusing tense situations and displaying impeccable appraisal skills.
- Trained new hires and consistently achieved the highest sales numbers, exceeding targets.

### ADDITIONAL EXPERIENCE

**President** 2022 - 2023  
[MUN Ballroom and Latin Dance Club](#)

- Successfully led the club's recovery from a streak of financial losses post-COVID-19, achieving record profits and attendance.
- Managed comprehensive aspects, including social media, design work, bookings, and built strong relationships with other organizations and club members.
- Recruited and established a capable team to maintain strong club performance, addressing issues in my absence and effectively delegating tasks.

### EDUCATION

**Software Development**  
Keyin College  
2024 - Present

**Bachelor of Arts & Science  
(Psychology & Spanish)**  
Memorial University of  
Newfoundland  
2016 - 2023

### TECH STACK

**Languages & Frameworks:**  
Python • HTML • CSS •  
JavaScript • React.js • Git Bash

**Methodologies & Principles:**  
RESTful APIs • Object Oriented  
Programming (OOP) • Test  
Driven Development (TDD) •  
Database Design • Agile  
Development • Scrum •  
Waterfall Development

**Software Tools:**  
AWS • Git • GitHub • Postman •  
Docker

**Currently Learning:**  
Java • Node.js • Express.js •  
MongoDB • PostgreSQL • Cloud  
Development • Database  
Normalization

### LANGUAGES

- English (Fluent)
- Arabic (Fluent)
- Spanish (Advanced)

### HOBBIES

- Soccer
- Martial Arts
- Coding
- Chess
